150KW STANDBY GENERATOR SET

NATURAL GAS FUELED, UL2200 LISTED, RATED STANDBY, 150KW 120/240V, 3PH-4W, 60HZ, 3600 RPM GENERATOR

MUST INCLUDE: DIRECTLY CONNECTED SYNCHRONOUS GENERATOR W/ REVOLVING FIELD, LIQUID COOLED ENGINE, UNIT MOUNTED RADIATOR, STARTING BATTERY, 12V BATTERY CHARGER, ISOCHRONOUS GOVERNOR, DIGITAL VOLTAGE REGULATOR, GENERATOR OUTPUT CIRCUIT BREAKER 400A, WEATHER PROTECTIVE ENCLOSURE, 2 YEAR COMPONENT WARRANTY

May be Generac Model QT15068JNAC or approved equal.

Automatic Transfer Switch

Must be designed to work with generator set being bid. Transfer Switch should be capable of supporting full working load of specified generator set.

May be Generac Model RTSN400J3 or approved equal.

Electrical Sub-Panel

Must be Square D QO type load center

Submittals Required:

Two (2) sets of manufacturer's product data with installation, operation and maintenance instructions. Manufacturer's data is required for the generator, automatic transfer switch and accessories. Product data shall include nameplate data, dimensions, weights, ratings, interconnection points, and internal wiring diagrams for engine, generator, control panel, battery, battery charger, battery warmer, lube oil heater, exhaust silencer, vibration isolators, cord, plug and accessories.

Submittals shall clearly indicate components being proposed. Any exceptions to the technical specifications shall be clearly indicated.

Standby Generator in accordance with the following technical specifications:

The generator shall be a commercial series, natural gas-fueled engine, 150 kW standby electric generator to provide automatic standby power service for the City of Saint Louis Water Division Administrative Office Data Center.

The standby electric generator, control panel, automatic transfer switch, sub panel, disconnects, circuit breakers, and accessories shall be furnished as a complete unit with compatible components ready for installation by the contractor to back up the existing utility power source at the Kingshighway Water Division Administrative Office for the data center loads. The generator and all accessories shall be UL approved for safety and certified power rating.

The engine generator unit shall be skid-mounted and be furnished with a manufacturer supplied and installed sound attenuated acoustically designed and all-weather protective enclosure housing the engine, generator and generator controls.

Engine Type:

Internal combustion, liquid-cooled with integral radiator, natural gas fueled

Engine Governor:

Electronic, capable of maintaining engine speed within 0.25 percent at steady state, and 5 percent from no load to full load, with recovery to steady state within 2 seconds following sudden load changes.

Engine Starting:

DC starting system with positive engagement, provide a "Auto-Off-Manual/Test" starter mode switch, with programmable starter lockout to prevent starter from re-engaging until engine has completely stopped, with the capability of cyclic cranking a set number of seconds on with a set number of seconds rest/off before again attempting to start.

Battery/Batteries:

Heavy duty, lead acid type, minimum 525 cold cranking amps for winter operation, battery voltage to match the starting system, mounted in a plastic-coated metal battery tray treated for electrolyte resistance.

Automatic Shutdown:

Engine shutdown on high water temperature, low oil pressure, engine overspeed or overcrank. Limits as specified by manufacturer.

Engine Heater:

Engine water jacket type heater with integral thermostat control, sized to maintain the engine jacket water at 90 degrees F and operate on 120 volts AC.

Battery Warmer:

120-volt AC, with thermostat built into the wrap.

Battery Charger:

Current limiting type, DC Output 2A, designed to float at 2.17 volts per cell and equalize at 2.33 volts per cell. Include overload protection, full wave rectifier, DC voltmeter and ammeter, and 120 volts AC fused input. The battery charger shall be mounted and wired inside the generator housing enclosure.

Engine Accessories:

Fuel filter, lube oil filter, intake air filter, lube oil cooler, water pump. A water temperature gauge and lube oil pressure gauge shall be provided on the engine-generator control panel.

Load Capacity and Voltage:

Minimum 150 kW rating at 0.8 power factor, 3-phase, 120/240-volt at the manufacturer's recommended engine RPM

Generator:

Three phase, four wire, synchronous generator.

Rotor and Stator Insulation: Class H.

Bearings: Sealed ball.

Voltage Regulation: Full digital voltage regulation with 3 phase sensing and +/- 1 percent maximum.

Total Harmonic Distortion: Less than 5%

ENGINE-GENERATOR CONTROL PANEL

- An engine-generator control panel shall be mounted within the weather-protected housing enclosure.
- Engine and generator controls and indicators shall include:
 - Power Frequency Meter: 45-65 Hz range.
 - AC Output Voltmeter: 2percent accuracy, with phase selector switch.
 - AC Output Ammeter: 2 percent accuracy, with phase selector switch.
 - Voltage output adjustment.
 - Push-to-test indicator lamps, one each for low oil pressure, high water temperature, over speed, and over crank.
 - Engine start "Auto-Off-Manual/Test" selector switch.
 - Engine run time hour meter.
 - Oil pressure gauge.
 - Water temperature gauge.

WEATHER PROTECTED ENCLOSURE

- The engine generator unit shall be skid-mounted and be furnished with a manufacturer supplied and installed sound attenuated acoustically designed and all-weather protective enclosure housing the engine, generator and generator controls.
- The weather-protected enclosure housing shall be painted steel or aluminum with ready access to the control panel and service points, with lockable doors and panels.
- Factory designed and internally installed sound attenuation shall be incorporated into the protected enclosure to reduce generator sound output to 75 dB (A) at 23 feet under full rated load conditions.

AUTOMATIC TRANSFER SWITCH

- An automatic power transfer switched shall be provided to instruct the standby generator to start upon sensing primary source power failure.
- Transfer Switch Rating: 3-phase, minimum 400-amp In NEMA 3R Enclosure.

INSTALLATION:

Complete turnkey installation services for the standby generator solution are to be provided. Items to be included are all necessary electrical, plumbing, concrete pad, permits, inspections, and fees. Startup services are to be included. Final cutover will be at a time mutually agreeable with the Water Division. This may include weekend or after hours work. **All bidders must come out for a site inspection prior to bidding.**

ELECTRICAL

- Sub panel rated for breakout of critical loads to be backed up.
- Disconnects required by code for generator installation.
- Rewiring of existing circuit breaker panel and sub panel feeds including conduit.
- Conduit and cables from ATS to generator including controls.
- All copper wiring and grounds.
- All permits, inspections, and fees.

PLUMBING

- Installation of all gas lines and regulators.
- All permits, inspections, and fees.

ACCESSORIES:

- Remote monitoring capability through web interface.
- Automatic Exercise Option: Designed to start and exercise the engine-generator on a weekly or otherwise programmable basis.
- Vibration Isolators: Provide vibration isolators to support the complete engine-generator as recommended by the generator manufacturer.

DELIVERY:

The engine generator with transfer switch and all accessories shall be delivered to the generator site at the Kingshighway Water Division Administrative Office. All deliveries are to be coordinated with the project contact at Water Division.

WARRANTY:

The complete standby generator and transfer switch system shall be warranted for a period of two (2) years. Multiple warranties for individual components (engine, generator controls, etc.) are not acceptable. Warranty documents must be provided. This warranty shall be detailed in available written documents. In the judgment of the specifying authority, the manufacturer supplying the warranty for the complete system must have necessary financial and technical expertise with all components supplied to provide adequate warranty support.

The following shall be provided with the bids: Two (2) sets of manufacturer's standard product data for the generator and automatic transfer switch. Any exceptions to the technical specifications shall be clearly indicated.

CITY OF ST LOUIS, MISSOURI
INSTRUCTION TO BIDDERS (for request for quotations - RFQs)

VENDORS SHOULD CAREFULLY READ THE FOLLOWING INSTRUCTIONS AND TERMS AND CONDITIONS, BEFORE SUBMITTING QUOTATION. **CAUTION: THIS IS NOT AN ORDER**

- Quotations will only be accepted on this form which must be returned in a **sealed envelope**. *The upper left corner of the envelope must include the following information: Vendor Name, Quotation Number and the Due By Date.* This information is also required on any mail delivered next day or overnight.
- Quotations should be typewritten or in ink. Altered or erased unit price(s) must be initialed. One copy of Quotation Sheet must be submitted, please retain a copy for your files.
- The Supply Commissioner reserves the right to reject any or all bids.
- The Supply Commissioner reserves the right to make awards on an item basis or on a total basis.
- Bidders must quote Unit Price(s) and Extension on each item. When an error appears on an extension, the Unit Price(s) will govern.
- When Quotation Sheet requests item(s) by brand name and your quote is for an alternate brand – show brand name(s) with model number(s) and attach full specifications.
- When Quotation Sheet has only a general description(s) of item(s) required – show brand name with model number(s) and attach full specifications.
- Suppliers shall not offer more than one bid on each item. Two or more quotations on the same item may cause a rejection of the bid. Suppliers must determine which one of their many styles or types fully meet the specification.
- Freight or delivery charges must be included in quote, or shown separately on quote, so bid can be evaluated.
- **Bids must arrive no later than NOON** on the date stated or will be rejected. Faxed or E-mailed bids are not accepted unless specifically requested.
- Bids will be publicly opened on the date specified beginning at NOON.
- Prices quoted will be considered firm.
- Bids having an acceptance limit of less than 30 days after opening date may be rejected.
- Time of proposed delivery must be stated in definite terms.
- Failure of Bidder to understand the item(s) requested or any part of the specifications will not be a valid reason for bidding on the wrong item(s). Any questions regarding description of item(s) requested should be cleared with the Buyer listed in the bid document.
- **Samples** when requested must be delivered before actual time of bid opening with each sample plainly tagged showing the name of Bidder, Quotation Number, Brand Name and lot number or quality. Submission of samples does not relieve bidder from meeting the specifications as outlined in the Bid Documents unless the bidder specifically states they are bidding on an alternate.
- All samples are to be submitted to the address listed below unless otherwise stated in Bid Documents.
- Deliveries must be accompanied by a packing slip or invoice, listing the Department, Quotation Number, and the exact quantities of each item included in the shipment.
- **ONLY U.S.P., N.F., OR N.N.D. DRUGS ARE ACCEPTABLE. ALL DRUGS MUST COME IN MANUFACTURER'S ORIGINAL PACKAGES, PROPERLY SEALED.**
- In the event the successful bidder fails to make delivery of any item or items that meet the conditions and requirements as outlined in this proposal within 7 days of time stated by bidder on face of this quotation sheet, the City reserves the right to purchase said item or items on the "OPEN MARKET" and charge any costs above the BID PRICE to the bidder.
- The laws of the State of Missouri provide that the City of St. Louis pay no State Sales or Use Tax or Federal Excise Taxes and these taxes should be excluded from your bid price. Federal Excise Tax Exemption Certificates will be furnished to successful bidder.
- Suppliers shall save harmless the City of St. Louis from the payment of any and all claims or demands arising out of any infringement, alleged infringement, or use of any patent or patented device, article, system, arrangement, material or process used by him in the execution of this contract.
- Supply Division hours are Monday through Friday – 8:00 A.M. to 5:00 P.M. Main Number: 314-622-4580.

All bids must be submitted in a SEALED ENVELOPE and mailed to:

ST. LOUIS DOMESTIC PRODUCTS PROCUREMENT ACT

The City of St. Louis has enacted an ordinance relating to the purchase of domestic products by City government, with penalty provisions. The ordinance amends Section 5.58.010 Revised Code of the City of St. Louis, 1986, as amended by adding thereto new subsections dealing with the requirement that the Supply Commissioner or his designee give preference to goods or commodities manufactured in the United States of America, stating exceptions to said policy. Sections one through six are reprinted below.

Section One. Section 5.58.010 Revised Code of the City of St. Louis is hereby amended by adding the following language: Each solicitation to bid and the method of describing the items to be bid upon of any goods or commodities sought to be purchased by the Office of Supply Commissioner, and any contract entered into by and on behalf of the City of St. Louis and executed by the Mayor and/or the Comptroller of the City of St. Louis wherein the construction, alteration, repair or maintenance of any public works is the subject of the contract so executed, shall contain a provision that the goods or commodities furnished or used in the furtherance of said project by any contractor or subcontractor, manufacturer or supplier as the case may be, shall be manufactured, assembled or produced in the United States, and said requirement as defined above shall be stated in said bid.

Section Two. The provision of Section One of this Ordinance shall not apply in the following instances:

- (i) Where the item purchased as the contract entered into for repairs or renovation is less than One Thousand (\$1,000.00) Dollars.
- (ii) Where no line of a particular good or product is manufactured, assembled or produced in the United States.
- (iii) Where the acquisition of United States manufactured or produced goods would increase the cost by more than (10%) percent.

Section Three. The certificate required by this section shall specify the nature of the contract, the product being purchased or leased, the names and addresses of the United States manufacturers and producers contracted by the Commissioner or the project architect or engineer, and an indication that such manufacturers or producers could not supply sufficient quantities or that the price of the products would increase the cost of the contract by more than ten percent.

Section Four. No public agency may authorize, provide for, or make any payment to any vendor or contractor upon any contract in violation of section 2 of this act. Prior to the awarding of the bid and before any public agency authorizes, provides, or makes payment to any vendor or contractor upon any contract to which section 2 or 6 of this act applies, the vendor or contractor shall provide proof of compliance with section 2, and, if applicable, section 6 of this act. Any vendor or contractor who knowingly misrepresents any material fact to the public agency concerning the origin of any manufactured goods or commodities shall be guilty of a Class A misdemeanor.

Section Five. Sections 1 to 6 of this act shall apply only to contracts and subcontracts entered into after the effective date of this act, and shall not limit the use or supply of manufactured goods or commodities purchased or leased prior to the effective date of this act.

Section Six. Nothing in sections 1 or 6 of this act is intended to contravene any existing treaty, law, agreement, or regulation of the United States. All contracts under section 1 or 6 of this act shall be entered into in accordance with existing treaty, law, agreement, or regulation of the United States including all treaties entered into between foreign countries and the United States regarding export-import restrictions and international trade and shall not be in violation of sections 1 to 6 of this act to the extent of such accordance.

Interpretations and Guidelines

Section One: "Shall be manufactured" is interpreted to mean to make or process a raw material into a finished product or to turn-out in a mechanical manner. "Assembled" is interpreted to mean to fit or to join together the parts, gather, or to congregate in a manufacturing environment. "Produced" is interpreted to mean to create by manual or physical effort, to make or yield to customary product or products.

Section Two (i) This is interpreted to mean less than one thousand dollars in aggregate (total purchases).

(iii) When applying this subsection, multiply the cost of the foreign product by ten percent and compare the cost to the American product. If the American product cost is less than the sum of the cost of the foreign product plus ten percent, the award will be made to the vendor bidding the American product. The price paid by the City of St. Louis will be the actual price bid by the winning bidder.

Section Three: "Could not supply sufficient quantities" is interpreted to mean in order to meet the using agency's delivery schedule and in quantity specified.

Section Four: The vendor's authorized representative must complete a self-certification form, as required by the existing procedures previously indicated. These certification forms will be used to determine whether the manufacturer or producers could, or could not supply sufficient quantities, or the cost of the products would increase the contract by more than ten percent.

Prior to the City awarding the bid, the vendor shall provide certification that the product being bid is manufactured, assembled or produced in the United States or there is an existing treaty, law or regulation whereby the product bid shall be treated the same as product manufactured, assembled or produced in the United States. The procuring agency shall accept the self certification in order to apply the percentage differential that is applicable under this law. Failure to provide certification shall cause the city to presume that such product is not American made and preference shall not be considered for that product.

CERTIFICATION FORM

ST. LOUIS DOMESTIC PRODUCTS PROCUREMENT ACT

(BUY AMERICAN)

Bidders are advised of legislation enacted by the City of St. Louis which requires all manufactured goods or commodities used or supplied in the performance of this contract or any subcontract to be manufactured, assembled or produced in the United States, unless obtaining American made products would increase the cost of this contract by more than ten percent.

Section Four requires the vendor or contractor to certify his compliance with this legislation and if applicable, Section Six, if preference is claimed.

This legislation does not apply if the total bid is less than one thousand dollars (\$1,000.00).

Bids received will be evaluated on the basis of this legislation. Certificates of compliance must be completed and returned to be considered for preference. Failure to provide certification shall cause the City to presume that such product is not American made.

☐

CERTIFICATION

If **all** the specified goods or products are manufactured, assembled or produced in the United States, check box at left and complete certification at the bottom of this form.

☐

SECTION SIX CERTIFICATION

If any or all of the specified goods or products are manufactured, assembled or produced in a country other than the "United States", and exemption is requested because such product is Fair Trade Product: (a) list the country, other than the United States, where each good or product you propose to furnish is manufactured, assembled or produced; (b) check box at left of this paragraph and list corresponding commodities and (c) complete Section Six Documentation portion below.

Item Number(s)

Location Where Item Manufactured, Assembled or Produced

☐

SECTION SIX DOCUMENTATION

The specified goods or products are treated as manufactured, assembled or produced in the United States under an existing treaty, law, agreement or regulation of the United States regarding export-import restrictions and international trade. List item Number(s) and Treaties covering item below.

DEFINITIONS

MANUFACTURED - to make or process a raw material into a finished product; create, or to produce or to turn-out in a mechanical manner.

ASSEMBLED - to fit or join together the parts in a manufacturing environment.

PRODUCED - create by manual or physical effort, to make or yield the customary product or products.

MUST BE COMPLETED AND SIGNED

I hereby certify that the above information is true and correct and further certify that this statement complies with all provisions of Section 5.58.010 Revised Code of the City of St. Louis, 1985, as amended.

FIRM NAME: _____

ADDRESS: _____

CITY: _____ **STATE:** _____ **ZIP:** _____

BY: _____

(SIGNATURE and TITLE)

**CITY OF ST. LOUIS/SUPPLY DIVISION
MINORITY/WOMEN BUSINESS ENTERPRISES FORM
(M/WBE FORM)**

A. Mayor's Executive Order #28, Section Six - Supply Contracts

1. The goal of the City of St. Louis is that 25% of the value of all contracts let and purchases made by the Supply Commissioner shall be let or made with Minority Business Enterprises (MBEs) and that 5% of the value of all contracts let and purchases made by the Supply Commissioner shall be let or made with Women's Business Enterprises (WBEs).
2. All contracts let by the Supply Division for the purchase or lease of materials, equipment, supplies, commodities or services, the estimated cost of which exceeds \$500, shall be subject to this goal.
3. The methods by which the Supply Commissioner shall pursue this goal shall include but not be limited to the following:
 - a. The Supply Commissioner shall solicit bids from minority business enterprises and women's business enterprises certified to supply the required materials, equipment, supplies or services;
 - b. St. Louis Airport Authority (SLAA) shall provide the Supply Commissioner with a list of minority business enterprises and women's business enterprises qualified to provide each of those commodities that the Supply Commissioner indicates are required by the City;
 - c. The Supply Commissioner shall notify SLAA prior to solicitation of bids whenever no such qualified businesses are available;
 - d. SLAA shall attempt to identify such qualified businesses, and if successful, shall notify the Supply Commissioner of their availability; and
 - e. The Supply Commissioner shall provide such minority business enterprises and women's business enterprises every practical opportunity to submit bids.
4. Joint ventures or mentor-protégé relationships between prime contractors and subcontractors with local MBE and WBE firms are encouraged.
5. Participation of MBE and WBE firms located outside the St. Louis Metropolitan Statistical Area (SMSA) shall not count toward the goals established in this order.

B. SUPPLY DIVISION POLICY

It is the policy of the Supply Division that all bids/contracts awarded adhere to the Mayor's Executive Order #28. All vendors are encouraged to comply with this policy and all other provisions of Executive Order #28. A copy of Executive Order #28 is available upon request. Each Vendor/Contractor (bidder) must complete, sign and return this M/WBE Form. Failure to complete, sign and return the M/WBE Form will result in the bid being declared non responsive and your bid may be eliminated.

C. OBLIGATION

The bidder agrees to make a good faith effort to ensure that M/WBE businesses have an opportunity to participate in the performance of contracts or subcontracts financed in whole or in part with City funds. The bidder will take all necessary and reasonable steps to ensure that said businesses have an opportunity to compete for and perform under this bid/contract. The bidder shall not discriminate on the basis of race, color, national origin or sex in the award and performance of bids/contracts. The Directory of Disadvantaged, Minority and Women Owned Business Enterprises certified by the City of St. Louis, can be viewed at www.mwdbe.org.

CITY OF ST. LOUIS/SUPPLY DIVISION
MINORITY/WOMEN BUSINESS ENTERPRISES FORM
(M/WBE FORM)

D. BID/CONTRACT IDENTIFICATION

Bid #: _____ or Contract Name: _____

Opening Date: _____ Your Bid Total: \$ _____

If your bid is \$500 or higher, please complete Section 'E'. We are NOT requesting information on how your company currently supports M/WBE suppliers. We want to know if there are opportunities you might consider to work with M/WBE suppliers for THIS SPECIFIC bid/contract.
